

Gather Life for Paraplegics

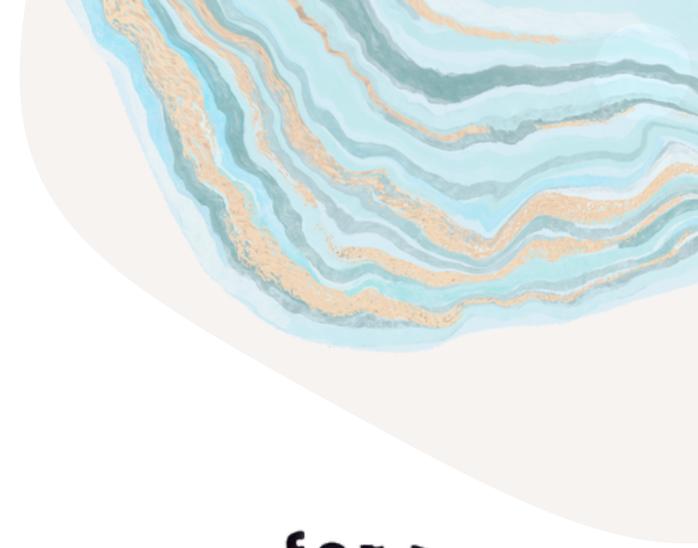

Freedom for Life

Who we are

Gather Life for Paraplegics is a registered non-profit organization that was established in 2019 with the goal of providing assistance to individuals with special needs and those from underprivileged backgrounds. Our primary areas of focus are education, vocational job training, and health.

As part of our efforts to improve the well-being of our beneficiaries, we have organized health check-ups for children and underprivileged individuals. During the Covid-19 pandemic, we also worked to provide groceries and essential medicines to those in need. Our organization holds an 80G certificate, which enables donors to claim tax deductions on their contributions.

In addition to our direct efforts, we also collaborate with other NGOs that share our vision and work towards the betterment of society. Our ultimate goal is to identify deserving individuals and provide them with the support they need to succeed in education, job training, and health.

Mission

Gather Life for Paraplegics aims to provide comprehensive healthcare and support to paraplegics, helping them become self-confident and self-reliant. Our objectives include providing peer mentor training, modern consulting and therapy rooms, state-of-the-art medical equipment, and professional workspace and training in computer skills and communication.

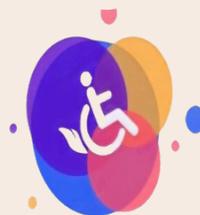

Vision

Our goal is to develop a paraplegic foundation that provides comprehensive rehabilitation and training to meet the demands of the global world.

Aim and Objectives

The Trust is a non-profit organization that aims to provide medical help to paraplegics. Its activities include establishing medical institutions, providing medical aid, and facilitating education for medical professionals. The Trust also promotes equality for persons with disabilities and works to make public facilities accessible. Its objectives are in accordance with the Income Tax Act, 1961.

Give a helping hand to those who need it!
